Live Skills Newsletter

Live Skills is a project which designed and piloted three new learning programmes for students, professionals and people looking to develop a career in the Audiovisual and Live Performance sectors, as well as the wider Creative and Cultural Sectors.

Learn creatively with Live Skills

The learning resources developed by the project have now been published! Browse and download the three available curricula, Digital and New Technologies, Arts Management and Cultural Entrepreneurship.

Live Skills delivers its final conference online

Live Skills final conference was scheduled to take place on the 26th of March in Brussels as a face to face event. Due to the coronavirus outbreak, it became obvious that this was no longer an option. Read how we turned it into a digital conference and engaged with our audiences online!

New online workshops for individual learning

Our VET partners in Belfast created a new website to host recorded workshops for some of the content covered in the Digital and New Technologies curriculum. There, you can also find downloadable files that can be used for practice.

An insight into Work Based Learning

After the face to face and online piloting, the Live Skills learners were also placed in a cultural institution for one month, as part of their Work Based Learning experience. Read the stories of two participants, one in Athens and one in Belfast.

Courses during COVID-19

Two different approaches to keep offering courses and piloting the Live Skills curricula during the coronavirus lockdown were applied by our VET partners in Greece and in the UK. Is digital learning here to stay?
